# OUR EQUINE POLICY

Vermont Farm Bureau supports full and equal Status within agriculture for Vermont's equine business owners. To achieve such status, we support:

- Equine business property being eligible as agriculture property in UVA;
- Inclusion of the equine business under the agriculture sales tax exemption;
- Maintaining an active equine committee within Vermont Farm Bureau;
- Trails, parking areas and camping sites for equine activity be made available in the green Mountain National Park and on State lands;
- Developing an expanded definition of farm income from equine businesses

Vermont Farm Bureau supports defining equine farm income to include diverse equine activities such as boarding horses, therapeutic riding and lessons.
